Dear Fond Du Luth Casino,

Thank you so much for your generous support of Minnesota Assistance Council for Veterans. Our team across the state is committed to working with all Veterans who are experiencing homelessness or are at risk of homelessness.

Your financial support of our mission and efforts in 2021 is helping bring us closer to achieving our vision of every single Veteran in Minnesota who experiences homelessness having an immediate housing option and services available to help them on their path towards long-term stability.

MACV's programs are focused in the areas of housing, employment, and legal services - all with the ultimate goal of helping those we serve achieve long-term stability. In the past year alone, over 5,000 services were provided to Veterans in Minnesota who were homeless or at risk of homelessness. Together with our partners, these services are leading to housing outcomes for those we serve at levels never before seen in Minnesota. Now we need to ensure we are reaching all Veterans in Minnesota still experiencing homelessness. This work is not possible without great supporters like you. Please accept our sincerest thanks.

Sincerely,
